

Darien Athletic Association "Darien Swarm"

Fundraising Policy (revised 2/1/09)

It takes dedicated parents to ensure the successful operation of the Darien Athletic Association. In order to join the "Swarm Family" you must sign and abide by the fundraising policy outlined below.

Statement

The Darien Athletic Association no longer collects a 'fundraising fee' from families at the start of each season.

Fundraising is a good method for the organization to acquire additional funds used to operate the club effectively. It also helps offset the need to raise registration fees.

As such, DAA asks that you participate in any fundraising activities we conduct throughout the season. We will have several different fundraising events during each session, and your assistance and support is appreciated.

Family acknowledgement

I have read and understand this volunteer policy. I accept all the terms outlined above.
